

20th Asian Battery Conference & Exhibition

SIEM REAP 2023

Tuesday 5 — Friday 8 September 2023
Sokha Siem Reap Resort &
Convention Center

Designed for the global lead-acid battery industry

Join us in Siem Reap, Cambodia to hear new and emerging technologies in the lead-acid field, see future directions, meet new suppliers, conduct business, network, and find new ways to stay ahead of the competition at Asia's #1 Lead-acid Battery Conference and Exhibition.

PROGRAM

45 + papers showcasing the latest updates, technical improvements, research and innovations in the lead battery field.
